About Villa Tunicu

If you're looking for a charming Ibiza villa with sea views, beautiful Villa Tunicu could perfectly fit the bill. It is one of our most popular and authentic villas, with absolutely breath-taking views across from Punta Galera down to San Antonio and the surrounding beaches and coves.

Authentic Ibiza style

This property is a typical Ibizan farmhouse (known locally as a 'finca') set in pretty, walled grounds. Last year the owners gave it a fantastic update with a beautiful new, modern kitchen and bathroom. The location is perfect; a tranquil, hillside property but only a couple of minutes drive outside San Antonio. If you were feeling energetic, you could reach the town on foot within about half an hour.

Pool & outdoor dining

Villa Tunicu is a lovely, well-proportioned finca with great areas for socialising around the pool either from the comfort of a sun lounger overlooking the fabulous views or in the shaded dining area that has a little outdoor kitchen with a brick built barbeque.

Pool with sea view

Villa Can Tunicu has a gated private drive, with plenty of parking for several cars. Immediately as you arrive at the villa, you'll be delighted by the wonderful sea views from the pool and terrace along with the views of the surrounding countryside. In fact, this villa is very popular with TV crews, exactly because of those amazing vistas. Check out DJ Uner streaming live from Villa Tunicu with DJMag giving us a taste of what his 2017 Ushuaia dates have in store!

The interior

You enter the villa into a finca-style lounge with comfortable seating. Leading off to the left is a bedroom with its own adjoining bathroom, plus two further bedrooms with an adjoining independent bathroom. Also off the lounge, at the other end of the villa, is the new kitchen fitted with all the modern appliances you'd expect. Off from the kitchen is a further dining area with table and chairs and the original finca bread oven. The other two bedrooms are located at this end of the villa, sharing a modern shower room. All bedrooms can be made up as doubles or twins

Popular

Villa Can Tunicu is always in demand and enjoys many repeat clients year after year. It is perfect for those who wish to experience a typical Ibizan finca, located in amazing surroundings with incredible views, yet close enough to all that San Antonio has to offer.
